Standing in 2009! Geronimos Riverdance

Sire: Ulrichs Geronimo Dam: Patchys Little Rosa

Indy, 2007 filly and future broodmare

Welcome to [Betsie River Appaloosa](http://www.betsieriverappaloosas.com)! We are located in beautiful Northern Lower Michigan where the horse trails are plentiful and put to good use in training our young stock. [Geronimos Riverdance](http://www.betsieriverappaloosas.com) aka Dillon, has a wonderful pedigree to offer other Appaloosa enthusiasts to ensure a good line of performance whether its on the trail or in the show ring. He has many F# horses in his pedigree such as Patchy, Toby 1, Patchy JR, and Sundance who are all in the Hall of Fame! Another great favorite is the Ulrich line and Dillon is proving my research true of temperament! Dillon's willingness in his training is amazing and he just keep getting better. Please visit us often as our foundation program progresses to a great future.

PRATTS PAT STORM
FAHR #204

NEEMEEPOOS REDNECK

Our foundation Leopard horses are intensely bred leopards. They have been bred leopard to leopard for 40 plus years to produce a unique leopard breed. They also have been bred for mellow dispositions, and strong and sturdy bone confirmation, and are long-lived.

Our goal is to consistently produce colorful "Native American Leopard" horses with an easy-going temperament, and an Indian Shuffle gait that yields a comfortable sure footed trail horse.

We are trying to preserve and develop more "gait" by breeding gaited to gaited foundation leopards. If you are interested in stud services our Stud fee is \$500.00
